

## All Saints Church, Thelwall Action Rwanda! Project: Partners in Mission Scheme

### About Action Rwanda!

Through prayer, communication and finance we are assisting the Anglican Church of Rwanda in their work to mobilise the church and community to support orphans, vulnerable children and their families.

The 2-year project equips church and community leaders to envision groups of people to work together to save money, learn new skills, generate income and help themselves out of poverty. It develops sustainable communities that support each other socially, emotionally and physically, and improve the future for vulnerable children and families.

**Lord, we pray** that the Rwandan team are encouraged and energised, so that their work will help people to better lives. We thank you for the opportunity to help their work and pray for people here to support through communication, prayer and financial help. We pray that all those involved grow in their faith and relationship with you. Amen

**Partners in Mission** is a new scheme to help financially support this vital work. By working together we can help make a real and sustainable difference to people's lives.

**Just £5 a month will help us achieve our commitment to provide £6000 to fund the work over 2 years.** If you gift aid your donation it will be worth an extra 25%! Ask for a gift aid declaration & a leaflet to find out more.

*It is our privilege to be able to share our blessings and God's love in this way.*
